

The range of plates for the Chorus domestic series is created in a wide variety of shapes, colours materials and finishes. It includes six different versions (ONE, GEO, LUX, ICE and ICE Touch) for rectangular boxes with a capacity of up to 12 modules and three different versions (ONE International, GEO International e LUX International) suitable for round/square boxes, either single or in combination in horizontal or vertical configurations, with a capacity from 2 up to 2+2+2+2 modules. All the Chorus domestic series plates use the same supports, without the need for additional adaptors. The range also includes blank plates, IP55 watertight plates and plates for profiles.

Family	LUX International	Description	2+2 modules
Type	Horizontal	Colour	Brushed aluminium
Material	Metal	Finishing	Opaque finish
For support codes	GW16821, GW16822, GW16823, GW16821N, GW16822N	Glow wire test	650 °C
Thermo-pressure with ball	70 °C	Standard	EN 60669-1
Electrocod	0110
