LED line® strip 150 SMD 12V yellow 2,4W

Product description

LED line® strips are a perfect choice for various lighting purposes e.g. furniture, shop expositions, advertisements and interior decoration. They combine high light efficiency with low energy consumption. Thanks to compact size and excellent flexibility LED line® strips can be used wherever needed, even where traditional solutions can't be applied because of constricted space. The only limit is your imagination.

Manufacturer issues a 5-year warranty for this product.

Reliable photometric files are available based on photometric tests performed at the LED line® Light Research and Measurement Centre.
