

Product Data Sheet

MM108

Surface overhead - angle mount contact

Standard Features

- Angle contact
- Aluminium housing

MM108

Surface overhead - angle mount contact

Specifications

Operating gap	50 mm (max.)
Connections	4 wires
Dimensions reed casting	82.5 x 27 x 25 mm
Dimensions magnet casting	82.5 x 27 x 25 mm
Voltage	1 to 100 VDC, 125 VAC
Switching current	500 mA
Contact type	NC
Contact material	Rhodium
Magnet	Ferrite
Colour	Aluminium
Material	Anodised natural aluminium AA15, end-stop ABS
Operating temperature	-40 to +50°C
Packaging	1 x 1
