

article#	<b>4303020</b>
article description	<b>lamp LED 30W 3360lm 1SSD 5mH07 3G1.5</b>
description long	<ul style="list-style-type: none"> <li>- voltage: 220-240V~</li> <li>- frequency:50-60 Hz</li> <li>- power: 30W</li> <li>- light current 3800 lm</li> <li>- luminous colour 4000 Kelvin</li> <li>- Dimensions:(BxHxT): 213 x 410 x 145mm</li> <li>- Cable: 5m H07RN-F 3G1,5 with safety plug</li> <li>- housing: 2-component plastic/rubber with handle</li> <li>- colour: (red/black)</li> <li>- IP54</li> <li>- incl. switch (ON-OFF) and additional safety socket with lid on the side</li> </ul>
GTIN (EAN)	9003399365256
country of origin	DE
customs number	94054940
net weight	2.500 kg
packaging quantity	1
minimum order quantity	1

ETIM 9.0	EC000346
Lamp type	LED not exchangeable
Housing material	Plastic
With socket outlet	True
Nominal voltage	220 – 240 V
Degree of protection (IP)	IP54
Max. system power	30 W
Rated luminous flux according to IEC 62722-2-1	3800 lm
Colour of light	White
Colour temperature	4000 – 4000 K
Conductor cross section	1.5 mm <sup>2</sup>
Connection type	Other
Length of connection cable	5 m
